Our Mission

To promote, connect, and invest in the arts in order to stimulate creativity and vibrancy in Santa Cruz County.

Our Vision

We envision a more vibrant Santa Cruz County, where individual and collective artistic expression thrive and where the arts are a valued part of all aspects of our diverse culture, economy, educational systems and everyday life.

Commitment to Equity

Through our grantmaking, we seek to deliberately and continuously address systemic barriers to opportunity and are committed to promoting equity and inclusion for all Santa Cruz County residents. We believe an organization's impact is enhanced when people from different backgrounds with unique perspectives are engaged in its activities and decision-making processes. Equally important is when an organization's work furthers equitable opportunities and outcomes and when their board and staff reflect the communities they serve.

We acknowledge that historically and currently, institutions and systems of power grant privilege and access unequally, especially on the basis of race/ethnicity, sexual orientation, gender identity, citizenship status, socioeconomic status and disability status. The more that these barriers converge, greater limitations to opportunity exist. We recognize that large disparities in access to the arts are pervasive and action is required to advance equity.

Grant Program Objectives

We provide funding for artists and arts organizations in Santa Cruz County to:

- Support the creation and presentation of artistically excellent work
- Increase the success of artists and the sustainability of arts organizations
- Engage new audiences in the arts
- Expand equitable access* to the arts
- Increase social impact* through art

**Equitable access: how you are improving disparities in representation and access in the arts.*

**Social impact: how you are advancing social and racial justice issues in your community.*

Develop Grant Program Overview

- A visual artist creating a website to promote his work

Review Process

Award

The maximum grant award is \$1,000. Grant payments are released after the grant agreement has been signed. *Please note: our funding pool is limited and we are not always able to offer full funding to all recommended applicants. Partial funding may be offered to some applicants depending on Panel scores, Grants Committee review, and available budget for the grants cycle.

Only one Develop Grant application may be submitted in a twelve-month period. If an application is denied, the Program Manager may give permission to resubmit the application under certain circumstances. If an applicant is awarded a Develop Grant for two successive years, she/he must skip a year before applying again.

Though the Arts Council has never been unable to fulfill these commitments, **grant awards are made contingent on the availability of funding** due to the possibility of unexpected changes with our funders.

Restrictions

Grants are provided for direct use by the awarded applicant. These funds are not transferable to other organizations or individuals. As much as possible, funded projects must be executed as described in the grant application. Please inform the Program Manager of any significant program or schedule changes. **Unused funds or funds not used in accordance with the grant agreement must be returned to Arts Council Santa Cruz County.**
